Fast Break Club Membership Form

The FBC is the booster organization for the Crimson Bears boys team. It was started in 1990 by several alumni of Juneau-Douglas High School who played for the team at one time or another. The club's purpose is to give financial help to the Bears while helping other community athletic events and groups. Some of the club's accomplishments include:

- Financial support for new scoreboards in the gym - Home of the Bears
- New bleachers in the JDHS main gymnasium
- New backboards and safety equipment in the JDHS gym as well as at other area schools
- Sponsorship of an instructional league for middle school-aged kids
- Sponsorship of the Middle School Basketball Tournament
- Financial help with the JDHS drill team, cheerleaders, pep band, and others

Here is my membership form and a check for the level selected (white/black/crimson/champion/elite) made payable to the Fast Break Club. I understand that my name will be placed around the Fast Break Club banner in the gym, on the team website, and that I will receive a Fast Break Club membership gift.*
