RE: JDHS Banner Program

The JDHS Banner Program has been in effect for many years. As a member of the program, your banner would be proudly displayed on a wall of the JDHS main gym year-round for an annual donation. The JDHS Banner Program is an excellent way to support JDHS activities and also a fantastic means of advertising for many reasons:

- ❖ Thousands of spectators, local and out-of-town, are in the gym annually for regular season basketball, Gold Medal and Capital City Classic Basketball, volleyball games, wrestling matches, and the Dance Team show
- ❖ The main gym is the largest capacity assembly area in Juneau with several special events taking place annually.
- ❖ The student population is in the gym every day.

Activities are a very important part of a successful education. Statistics and studies confirm that students involved in high school activities have higher GPA's, better school attendance, and become well-rounded adults. Activity programs have also been found to turn at-risk youths in a positive direction while promoting social and physical development.

As the owner of a banner, your business would pay a one-time manufacture cost (we can have the banner made if you provide us the information) and a yearly donation (\$500 for 24"x48"; \$1000 for 36"x72"). Your tax-deductible donation provides JDHS activities the needed funding for travel and equipment.

Should your company choose to be a JDHS Banner Program member, please complete the attached form. If you have any questions or concerns, please contact the Activities Dept at 523-1607.

Sincerely,

Robert Casperson  
Head Coach – Boys Basketball  
Juneau-Douglas High School
